

## FTC INFORMATION

The federal Trade Commission adopted a law governing the funeral industry, which became effective April 30, 1984, and which was amended as of July 15, 1994. This law is commonly known as the FTC Funeral Rule. It affects YOU, the consumer, and ALL FUNERAL PROVIDERS.

**A FUNERAL PROVIDER** is any person, partnership, or corporation that sells funeral goods and services to the public. The Funeral Rule covers many aspects of funeral service. Its length makes it impractical to address in its entirety here. However, some of the more significant points are described below.

## WHAT DO THESE RULES MEAN TO YOU?

1. YOU may obtain information about prices over the telephone.
2. YOU must be given a GENERAL PRICE LIST before engaging in the actual *arrangement* process or the selecting of any funeral goods and services. This list contains itemized prices for various goods and services we offer.
3. When inquiring in person, YOU are to be shown PRICE LISTS for caskets and outer burial containers, if either are applicable to your arrangements. These Lists are to contain our retail prices for all caskets not requiring special ordering, and enough information to identify each casket or outer burial container.

**An OUTER BURIAL CONTAINER** is any container which is designed for placement in the grave around the casket, including, but not limited to, burial vaults, grave boxes, and grave liners.

*Note: Many cemeteries ask that you have such a container so that the grave will not sink. In most areas of the country, however, NO STATE OR LOCAL LAWS REQUIRE YOU TO BUY SUCH A CONTAINER.*

4. You are to be given, at the conclusion of the arrangement discussion, a statement of funeral goods and services. This document will list the funeral goods and services selected, along with their prices. It should be a written statement for your retention and include the specifically itemized cash advances to the extent the price is known.

**A CASH ADVANCE ITEM** is any item obtained from a third party and paid for by the funeral provider on your behalf. *NOTE: These cash advance items may not be included on the GENERAL PRICE LIST but should be shown on your statement describing the funeral goods and services you selected.*

## OUR GENERAL PRICE LIST

*Prices are effective as of June 13, 2024 and are subject to change without notice.*

### ITEMIZATION SELECTIONS

The goods and services shown below are those we will provide to our customers. You may choose only the items you desire. **However, any funeral arrangements you select will include a charge for basic service and overhead.** If legal or other restrictions require you to purchase any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

#### **BASIC SERVICES OF FUNERAL DIRECTOR & STAFF**

**\$2,590.00**

Our fee for the basic services of funeral director and staff includes, but is not limited to: staff to respond to initial request for service; arrangement conference with family and responsible parties; arrangement of funeral; preparation and filing of necessary authorizations and permits; recording vital statistics; preparation and placement of funeral notice; and coordination with those providing other portions of the funeral, e.g., cemetery, crematory, vault companies, and others as required. Also, included in this charge are overhead expenses relative to our facilities such as professional licensing, legal and accounting fees, insurance, building and utility expenses, parking lot and grounds, maintenance taxes, equipment, furnishings, inventory cost, recordkeeping, and secretarial and administrative expenses. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

#### **EMBALMING**

**\$995.00**

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
